Meeting was called to order by Lion President Don Clark at 6:30 p.m.

Presentation was given by John Schiel, a sophomore of Cedarburg High School working on his Eagle Scout. He is looking for a donation of \$300-\$500 to help him with the building of a sand volleyball court at Tendick Park and also for the area to be excavated. The court will be 40 x 70 feet and 16" deep. It would be built near the gazebo. The county will be providing net and maintenance for the court. Lion Dawn made a motion to pass on this project as we are aware that we have three Saukville scouts coming to us in the near future with requests. Lion MaryKay second this motion. Lion Kate mentioned that her father may be able to donate the excavating for this project for our donation from Saukville Lions. She will let us know at the next meeting.

Motion was made by Lion MaryKay to accept the October minutes and second by Lion Mike Krocka.
